

REFLECTION REQUEST

SOMEONE YOUNGER SEES ME

This page is optional.

Invite someone younger than you to complete this page only if you choose.

This could be a younger sibling, cousin, neighbor, teammate, student, or someone who looks up to you.

Sometimes younger people see us in simple, honest, beautiful ways.

What do you like about me?

What do I do that helps you?

What do you think I am really good at?

What makes me special?

What do you hope I never stop doing?

MY RESPONSE

AFTER READING SOMEONE YOUNGER'S REFLECTION
